Oct. 10, 2007

A Message from Kellee Trice : It's hard to believe that there are only two weeks left in the regular season. Our teams are working hard and at this point it looks like all of our teams (6-8 through 11-13) will be making it to the play-offs. Our instructional program (5-6 & 6-7) will end their season on Friday October 19th @ 7:00 pm with a home game under the lights on the "big field". This will be a special event for these players who typically play early in the am. Please come out and cheer them on as they end their season. This will also be the start of our homecoming activities. Hope to see you there. I also want to thank our coaching staff who has been pulling "double duty" as parking attendants/traffic director. This has helped our parking problems and is keeping our children safe as they cross the street. Thank you to everyone who contributed to our 2007 community service project. The donations were delivered to the armory on Tuesday and Company D should receive the cards, pictures, phone cards, donations and well wishes just in time for the holidays. Good Luck on Saturday.

SPECIAL THANKS

Thank you to Paul Antoshak for providing the PA system and music for our past two home games. We would also like to thank our volunteers who announced during each of the games. This makes the games much more exciting for the fans, cheerleaders and players. We will need announcers for the Homecoming games. If interested please stop by the announcers booth to volunteer your services.

8-10 JAGUARS

The 8 – 10 Squad lost a heartbreaker and hard fought game at MOT Navy by the score of 14 – 8. The Jags were first to score on a 28 yard rushing TD by Joe. The Offense amassed a total of 62 Rushing yards against a determined MOT defense.

The Jag defense held the lead until the last 3 minutes of the contest. Numerous Jags had over five tackles, led by Jonathan, Dylan, Joe and Kaiden. The Jag secondary held tight, and the D-Line was tough, led by Justin with a forced fumble which Jonathan recovered.

The loss was a tough one, but we'll recover for our next game. Thanks to the parents and the Cheerleaders for their support

Please help keep our fields clean by depositing all water bottles and trash in the proper receptacles.

9-11 JAGUARS

The **AWESOME 9 – 11 JAGS** won a battle down at MOT with a 12 – 6 victory. MOT took the opening kick-off back for a TD, but the guys never stopped fighting from that point on. The defense held them to 100 yards in the first half, but then “Coach Chad” changed the defensive formation and in the second half the defense held MOT to 15 total yards. Great job on defense by C. Brown, C. Grant, Jordan, Jay, Cody, Alex, Adam, Andrew, Albert, Austin, Eric, Matt, T. Murray, Ryan, AJ (interception), and John (interception / fumble recovery). Chris Brown shut down the WR's all day. The offense had a total of 220 yards which is contributed to the front line of Matt, Tommy Rohe, Tommy Murray, Joey, Austin, Andrew, Adam, and Eric. Our backs of Danny and AJ both had big yards during the game with AJ running a 40 yd draw and a 36 yard screen pass from Dale for TD's. Our Tight Ends of Eric and Andrew ran for positive yards up the middle and to the outside when needed. Zach was given the task of blocking all day which helped spring to the outside with key blocking on the TD screen pass. This was a total team effort this week and the guys showed that they could fight the entire game. The team voted John Breece the player of the game for the second straight week. Thanks to our Cheerleaders for “cheering” us to victory as we make a run for the playoffs. These guys are on a roll. **GREAT TEAMWORK GUYS!!!!!!!!!!!!**

5-7 FOOTBALL

Another great game for the 5-7 Jags as they had another shut-out for the second week in a row. They played a tough game after waiting almost two hours for their chance on the field. It was an awesome team effort given by Shrewsbury , Danglade, Abbott, Fisher, Moskes, Gruber, Cimososi, Bishop, George, James, Spiker, Garza and McMillan

We had sacks from Dustin Flowers, Noah Dunn, Kaemyn McAnulty, Cooper Reynolds, Carter Malamphy, Talon Alvarez, Jalen Giles, Dow Jones, Thomas Zatalava, Jacob Porte, & Joshua Jones. Sam Richie had great blocking the entire game to help motivate the Jag's to move the ball down the field. Cooper Reynolds, Carter Malamphy, & Talon Alvarez all had fumble recoveries. We had carries from Dustin Flowers, Kaemyn McAnulty, Cooper Reynolds, Andrew Goudeaux, Talon Alvarez, Jalen Giles, Dow Jones, Thomas Zatalava, Joshua Jones, Michael Gruber, Brandon Teixidor, & Louis Gordon. We had touchdowns scored by Noah Dunn, Kaemyn McAnulty, Jalen Giles, & Dow Jones. Great Job Boys!!!! Let's keep up the great job in practice to prepare for our game against the Jarrettsville Hawks.

Team Info 6-8 Jaguars

The 6-8 Jaguars extended their undefeated record to 7-0 on Saturday beating the also undefeated Perry Hall Gators 26-6. After giving up a touchdown on the opening drive the defense tightened up and didn't allow any more points. Jesse Herrera led the team in tackles. Silas Whittington, Joe Jones, and Logan Wilson joined Jesse in the backfield on most plays. The pressure on the Gators was awesome. Jake Eldreth, Mark Whattenbarger, Ben Hemrick and Zach Allen all had good days defensively. On the offensive side of the ball the Jags offensive line was too much for the Gators. Bailey McRoberts, Jackson Argoe, Daniel Chiominto, Josh Huss, Connor Zilinskas, Zach Esbin and Logan Wilson dominated the line of scrimmage all day long, opening huge holes and giving Nate McCullough all day to throw the ball. Nick Harward did a great job delivering too many crushing lead blocks to mention. J Quan Benson had two rushing touchdowns. Nate McCullough was 5 out of 7 with two touchdown passes to Randy Fields. Warren Davis had a big third quarter catch that set up a touchdown. Joe Jones bulled his way in to the endzone for an extra point run. The boys have now outscored their opponents 167-18 on the season. With a win next week they will clinch the top seed in the playoffs. Great job as usual boys, the coaching staff and parents are very proud of you, keep working hard!

8-10 CHEERLEADERS

Excellent team effort by the 8 - 10 cheerleaders - great team spirit and total teamwork. Led this week be captains Kylie Alexander, Elizabeth McKenzie and Kaitlyn McKenzie the team kept That Jaguar Spirit Up! Several Jaguar Fans stopped by to comment on how loud and clear the girls voices were!

Let's hear it for team mascots Faith Semler and Alyssa Jezyk. Faith and Alyssa amaze us each week with their cheer ability. They get the crowd up off their feet and adapted to a change in the half time routine without any hesitation. Great Job Lady Jaguars!

Team shout out this week to Jordan Justice. Jordan stepped up to substitute base a stunt so the team could perform every stunt group. Great job Jordan! Way to show that Jaguar Pride.

With Jaguar Spirit

Coaches Sherrv. Nancv. Tina & Heather

7-9 FOOTBALL

The 7-9 Jaguars had a great performance against the Emmorton Buc's. The Jag's showed a total team effort. The Jag's defense dominated the Buc's the entire game. The Jag's offense had some explosive plays. The Jag's wanted to make the game interesting so they waited until the 4 quarter to score.

The offense started slow but had patience and trust in each other. The Jag's offense continued to move the ball down the field but had difficulty getting into the end-zone. The only score came from a shotgun sweep to Cody. A bruising run by T-Money up the gut would have put us up by 8 points. T-Money in my eye's you were in.

The Jag's defense was outstanding. The Jag's defense forced another shut out. The defense applied so much pressure the Buc's had a hard time moving the ball. The Jag's stingy defense controlled the line of scrimmage so much it was hard for the Buc's to get an inch. The Jag's defense is at the top of there game.

Good job 7-9 Jag's BANG BANG CHOO
CHOO TRAIN
